# 2019 TTA Nomination List

## Congratulations to the 2019 Top Tech Qualified Nominees!

If you were nominated for the 2019 event you should have received both an email and a letter in the mail stating if you qualified as a nominee. If you qualified, your nomination will be considered for an award in the category in which you were nominated. If you were disqualified, you are still able to attend the event with a guest complimentary but your nomination did not advance to the judging round.

Nominees are not notified in advance if they have won an award. If you are a qualified nominee, you must be present on May 16 to find out if you have been selected, as the winners are announced live from the stage. Cox Business Exemplary and the Lifetime Achievement Honoree winners are the only award recipients notified before the event.

Nominees and a guest (regardless of qualification status) receive two complimentary tickets to attend the event on May 16. For ticket information please visit [Here](#).
